CORE VALUES

Authentic in our Faith & Expression

“The greatest single cause of atheism in the world today is Christians, who acknowledge Jesus with their lips and walk out the door, and deny Him by their lifestyle. That is what an unbelieving world simply finds unbelievable.” - Brennan Manning-

Authentic in our Faith & Expression

“But the aim of our instruction is love that comes from a pure heart, a good conscience, and a **sincere faith.**” – 1 Tim. 1:5

Relevant in our Proclamation & Incarnation

“Even though I am free of the demands and expectations of everyone, I have voluntarily become a servant to any and all in order to reach a wide range of people: religious, nonreligious, meticulous moralists, loose-living immoralists, the defeated, the demoralized— whoever. I didn’t take on their way of life. I kept my bearings in Christ—but I entered their world and tried to experience things from their point of view. I’ve become just about every sort of servant there is in my attempts to lead those I meet into a God-saved life. I did all this because of the Message. I didn’t just want to talk about it; I wanted to be in on it!

(1 Cor. 9:19-23 MSG)

Relevant in our Proclamation & Incarnation

In an age of information overload ... the last thing any of us needs is more information about God. We need the practice of incarnation, by which God saves the lives of those whose intellectual assent has turned them dry as dust, who have run frighteningly low on the Bread of Life, who are dying to know more God in their bodies. Not more about God. More God.

Intentional in our Discipleship & Outreach

“O Timothy, my son, be strong with the strength Christ Jesus gives you. For you must teach others those things you and many others have heard me speak about. Teach these great truths to trustworthy men who will, in turn, pass them on to others. (1 Tim. 2:1-2, NLT)

Serving in Church and Society

“Paul, a servant of Christ Jesus, called to be an apostle, set apart for the gospel of God,...” (Rom.1:1)

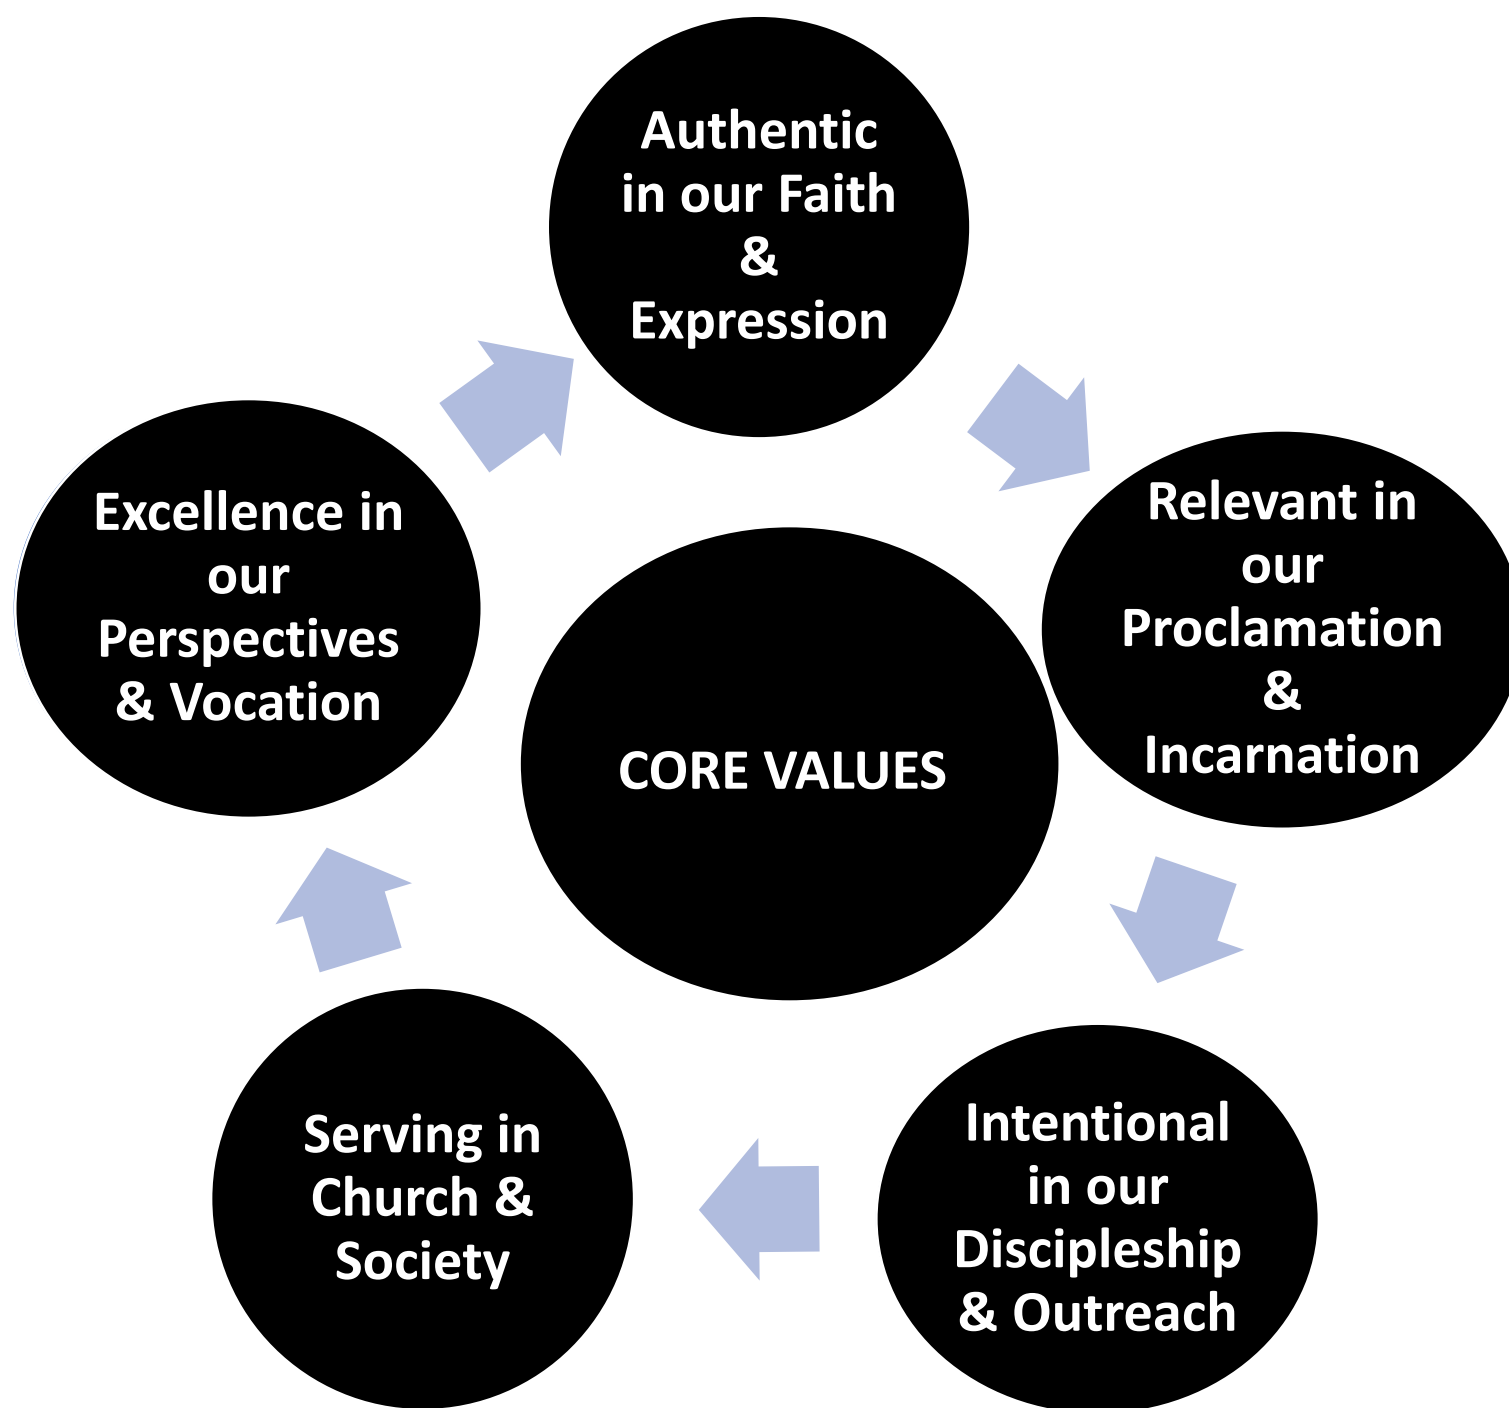

Serving in Church and Society

With my #InviteMeToNDR participants! One of them is Kam Yin (behind me on my right), a grandfather who is part of the Merdeka Generation. He taught himself how to code, and set up a website to teach others the meaning of our national anthem by translating the Malay words to English. Readers can reinforce their learning via quizzes.

Kam Yin is a great example of 活到老学到老! This mindset to learn new things, and not fear change is something we should all embrace.
